STRIKES & SPARES SCORES BIG WITH FEATURES!

UNIQUE GAME PLAY!

Strikes & Spares offers an exciting new approach to the 10-pin shuffle alley. Pins are lit up and housed behind an impact-resistant shield. Once players take aim, the pins electronically dim and disappear as puck passes under them.

RELIABLE LOGIC SYSTEM!

Strikes & Spares is technologically designed with no moving parts. Logic system circuitry allows pins to remain stationary throughout play of game. This means overall maintenance is minimal... game performance is more dependable than ever!

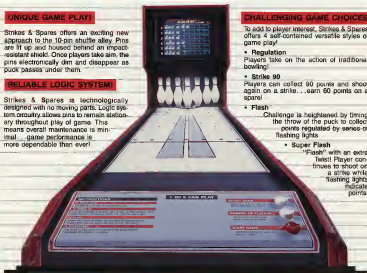

CHALLENGING GAME CHOICES!

To add to player interest, Strikes & Spares offers 4 self-contained versatile styles of game play!

- **Regulation**

- **Flash**

- **Super Flash**
